

An engraving of a busy street scene in Constantinople. In the foreground, several figures are walking on a wide, unpaved street. A man in a long coat and hat is walking towards the left, while another man in a similar outfit is walking towards the right. In the center, a group of people is gathered around a horse-drawn carriage. The background features a large, ornate church with multiple domes and minarets, situated on a hill. The sky is filled with clouds. The overall style is that of a 19th-century engraving.
