An engraving of a busy street scene in London. In the foreground, several figures are walking across a wide, unpaved street. A horse-drawn carriage is visible on the right. In the background, a large building with a flag flying from its roof stands prominently. The scene is set in a city with other buildings and a cloudy sky. The engraving is signed 'J. G. S. del.' in the bottom left corner. Below the image, there is a line of text: 'LONDON: PRINTED BY J. G. S. DEL. 1800.'
